# Lost in Chaos

"Tazok, an evil Chaos Warlock, has been raising an army of undead. Find your way through his labyrinth fortress and

defeat him, before he can march his army against the Empire. The Emperor will pay you each 100 gold coins for his defeat."

### NOTES:

Some of the doors are sealed by magic. The Heroes can only pass through these doors in one direction, represented by the arrow. (Do not disclose this to the Heroes.) (Monsters may pass through any open door as normal.) There is no limit on the times a Hero may pass through.

**E** The first Hero to search for treasure will find a Spell Scroll hidden in the bookcase. Have the Hero draw a Spell Scroll card at random.

**A** The first Hero to search for treasure will find a broadsword on the weapon's rack.

**B** The treasure chest contains a Potion of Healing. This potion will restore up to four lost Body Points.

**C** The treasure chest contains 200 gold coins.

**D** The Chaos Warlock is Tazok. Tazok knows the following Chaos Spells: Fear, Lightning Bolt, and Summon Undead. After Tazok is defeated, the magic seal is lifted from the doors. All doors, then, operate as normal.

Tazok has the following stats:
